A message from the Senior Pastor, Michael Grechko

Welcome!

It's great to have you with us here today (especially if you've never been to church).

You'll find we're a place where you can make friends, discover your purpose in life and feel accepted – no matter where you're at.

Let us know if there's anything we can do to help you get connected.

Looking For a Place to Call Home?

For the Kids >>>

Here at church, kids have a place to call their own! Our Sunday program gives kids the chance to make friends and have fun as they encounter God and discover the purpose he has for their life.

You don't want to miss the Airfair carnivals we run during school holidays or our weekly Playgroup programs.

Contact bene@bcoc.com.au to find out more.

Youth >>>

FUSE is our ministry for High School students and exists to partner with families in developing radically passionate disciples of Jesus and helping them navigate the complex transitional season that is the teenage years.

Friday Nights are jam packed with loads of opportunities to have heaps of fun, food, multimedia experiences, quality time with friends and the chance to discover the awesome spiritual life that Jesus offers.

Contact andrewf@bcoc.com.au to find out more.

Young Adults >>>

Our Young Adults community is a place to make lifelong friends by "doing life together" and figuring out how to make a real impact in the world.

Young Adults groups run fortnightly on a Thursday evening.

Contact youngadults@bcoc.com.au for details about how to get involved.

Life Groups >>>

It is easy to attend church, be part of a large crowd but never really get involved, make friends, develop your spiritual gifts or be accountable in a practical way. Life Groups fulfill these important elements of church life.

Being in a Life Group provides you with an opportunity to build relationships, find support, grow in your journey as a disciple and get involved in outreach.

Contact christines@bcoc.com.au to join a group.

What next? >>>

Join us in the [Welcome Lounge](#) straight after the service.
